

CAREER ROAD MAP

Set Sail to being a Yachtie

1

Self-Assessment & Goal Setting

- Qualities, interests and personal skills
- Previous education and employment
- Meet basic requirements
- Explore the lifestyle of yacht crew and overview of the industry

2

Research & Exploration

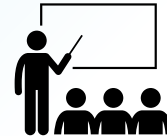

- Overview on the role best suited to you
- Lay the groundwork of what to expect on board
- Choose a yachting hub to start your search
- Consider the best months to job hunt

3

Skills Development & Training

- Register for STCW
- Schedule an ENG1 Medical Exam
- Complete additional courses if necessary

4

Pre-Departure Checklist

- Set up a bank account + budget resources
- Create a strong CV + take CV photo
- Ensure passport is valid
- Book flights & accommodation

5

Action Plan

- Prepare for interviews
- Apply networking strategies
- Connect with crew agents / dock walk marinas
- Secure day work, temporary or permanent role

We help customize a road map based on your personal experiences and goals to create a timeline best suited for you. This framework is adjustable and can be adapted as circumstances change.
